Due to Covid-19, class sizes may be limited.

If the class you register for is full, you will be added to our waitlist and informed via email of this status.

If the class still has room and the registration form on our website is filled out, you will be sent an electronic form of our Parent Handbook and Studio Policies to sign and have returned back to The Dancer Project to be fully registered.

If local governance require businesses to work remotely, like in the Spring of 2020, we will switch to zoom classes and start back as soon as deemed possible with all precautions in place. IMPORTANT Dance Etiquette

At our studio, our primary goal is for your children to have fun while learning dance technique and a strong work ethic. We expect all dancers to show respect to themselves, each other and all instructors. You will see our instructors enforcing the following rules:

- Be prepared for class. Proper dress code (if applicable) is required for all dance classes. That information is on our website and listed above.
- Hair must be pulled up and secured back. For levels 2 on upward, a bun or up do is mandatory.
- Use bathroom prior to class.
- Do not have frequent class absences.
- No cell phones in the dance studio. (Please keep all personal items in your dance bag.)
- No gum is allowed in class.
- Be respectful and kind to instructors, peers and staff.

The Dancer Project 2021-2022 Fall & Spring Semesters

- Do not talk during class unless you are asking a question.
- Be willing to try new dance material. Put positive energy into your dance class.
- No leaning, lounging or hanging on the ballet barres and do NOT touch our mirrors.
- Clap at the end of class to show respect for yourself, your fellow dancers and always approach the instructor and say 'thank you'.
- If injured, tell instructor prior to class... work slowly & carefully or observe.
- If ill, do not come to class.
- If you must leave early, notify instructor prior to class.

We believe that good dance etiquette is of equal importance to good dance technique.

The Dancer Project 2021-2022 Fall & Spring Semesters

BEHAVIOR POLICY:

We are committed to educate our students, model behaviors, and help dancers grow with love and respect in this program. If for any reason a student does not meet the expectations outlined above, The Dancer Project enforces a 3-strike policy with regard to students misbehaving at the studio – in or outside of class.

- Strike 1 is a warning; student is still able to participate in dance class. Parents or Guardian will be notified and will be asked to observe all classes, if not already present, for the remainder of the semester. No exceptions.
- Strike 2 is an in class time-out, student will be asked to sit to the side of the classroom and observe. The instructor will determine the length of time for the time-out.
- Strike 3 the student will be asked to leave the classroom and sit in the lobby until class is finished. In the case of a Strike 3, the teacher will talk to both student and parent about behavior issues and steps to take to improve the learning experience. If this is not adhered to, the student will be dismissed from The Dancer Project Conservatory. There will be no refunds for past tuition months.

THE THREE-CLAP RULE:

Teachers may choose to initiate a three-clap rule, particularly useful for re-gathering attention after a water break or after group work. Teachers clap three times in a rhythm and students are to repeat the claps back – signaling quiet voices and attention to the teacher.
